- Your step-by-step guide to restaurant English
- A 4-level system to master customer service
- From basic words to full conversations
- Finally, a clear path to becoming a professional server
- What you'll learn in the Restaurant English simulator

Body: Hi [First Name],

Have you ever wished for a clear, step-by-step guide to mastering the English needed for a top restaurant job? It can be confusing to know where to even begin.

That's why I'm excited to show you the **English for Restaurant Staff** interactive guide. It's not just a collection of tips; it's a complete, structured training system that takes you from the absolute basics to handling complex customer interactions with confidence.

You'll progress through four specific levels, building your skills one step at a time:

- **Level 1: Master the Words:** You'll start by learning the essential vocabulary for everything in a restaurant, from menu items to cutlery.
- **Level 2: Build the Order:** Listen to audio of customer requests and practice building their orders correctly using a fun, drag-and-drop interface.
- **Level 3: Perfect Your Phrases:** Learn the polite grammar and professional phrases that separate a basic server from a top earner, ensuring you always sound professional.
- **Level 4: Handle Full Conversations:** Test your skills by navigating a realistic, branching customer dialogue where your choices change the outcome.

After you complete the training, you'll unlock the fast-paced "**Restaurant Rush**" bonus game to prove you're ready for the floor and receive a full performance evaluation to see how you did.

This is the clear path you've been looking for to advance your career.

- Get ready for the holiday rush with this fun game

Body: Hi [First Name],

With the busy holiday season just around the corner, are you ready to handle the rush of foreign tourists and maximize your tips?

Studying English from a book can be slow and boring. It doesn't prepare you for the speed and pressure of a real, busy restaurant floor.

What if you could get job-ready by playing a fun, interactive game on your computer instead?

Introducing the **English for Restaurant Staff** simulator. This isn't a traditional course—it's a complete, game-like training system designed to make learning practical skills enjoyable and fast.

Here's how you'll learn by playing:

- **Play Through 4 Fun Levels:** You'll master the skills you need through interactive challenges, like matching vocabulary to pictures, dragging-and-dropping to build customer orders, and navigating realistic conversations where your choices matter.
- **Become a Pro with a PDF Guide:** You also get "The Official SEKAEL Guide to Professional Service" packed with scripts and checklists you can review on your phone right before a shift or an interview.
- **Unlock the "Restaurant Rush" Bonus Game:** After completing the training, you get to play the final boss level! In this fast-paced game, you'll move your character around a busy restaurant, taking and delivering orders against the clock to prove you can handle the pressure.

This is the most entertaining way to build the confidence you need to impress customers, earn bigger tips, and land a job at a top international restaurant.
