Email 1: The "Problem & Solution" Angle

Subject Line Options:

- Struggling with your hotel job interview?
- Finally, a real solution for learning Hotel English
- your dream hotel job is waiting
- [First Name], you'll want to see this

Body:

Hi [First Name],

Are you trying to land your dream job in a hotel but worried your English isn't quite ready for the interview? It can be incredibly frustrating to feel like a language barrier is the only thing holding you back from a great career.

What if there was a better, more fun way to prepare?

I've come across a new solution called the **Hotel English Training Game by SEKAEL** that is specifically designed to help people like you finally overcome this challenge.

It helps you:

- Practice real-world conversations with an interactive training game you can use on any device.
- Feel what it's like to be on the job with an immersive experience where you act as a hotel trainee.
- Get fully prepared with bonus materials on acing your job interview and learning essential hotel vocabulary.

Instead of feeling nervous and unprepared, you can walk into your next interview with confidence. If you're ready to stop worrying about your English skills and start building your hotel career, you need to check this out.

Email 2: The "Unique Advantage" Angle

Subject Line Options:

- It's not a course, it's a game
- The old way of learning Hotel English is obsolete
- The most unique way to prepare for your interview
- I haven't seen anything like this before

Body:

Hi [First Name],

When it comes to learning English for a hotel job, most people try the same old things—boring textbooks and videos—and get the same old results.

But every now and then, something truly different comes along.

That's why I had to tell you about the **Hotel English Training Game**. What makes it a complete game-changer is its unique approach: **it's an interactive game, not a passive course**. You learn by doing, acting as a hotel trainee and answering questions from virtual guests.

This means you can build real, practical conversation skills without the boredom of memorizing word lists. It's designed specifically for aspiring hotel professionals who want a faster and more engaging way to feel confident speaking English.

Stop settling for the old way. See what makes this so different.

Email 3: The "Final Recommendation" Angle

Subject Line Options:

- My final recommendation for your hotel career

- A quick reminder about the Hotel English Training Game
- [First Name], ready to land that hotel job?
- The fastest way to feel confident for your interview

Body:

Hi [First Name],

I just wanted to send a quick final message about the **Hotel English Training Game by SEKAEL**.

I've been talking about it this week because it's such a powerful tool that helps you master the specific English needed for hotel work and walk into your interviews with total confidence.

If you're on the fence, just think about how much easier things would be if you could finally land that dream hotel job. This is the tool that can help you do it by making your preparation fun and effective.

Don't wait and miss the opportunity to make a real change in your career path.
